# *Types of Fingerprints*

# Ulnar Loop (U)

Left Hand

The loop flow direction is towards the thumb side whether it's your left or right hand will be termed as Ulnar loop. It has **ONE** core and **ONE** delta.

Right Hand

Core

Delta

# Ulnar Loop (U)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

- ❑ Strong on imitation based learning;
- ❑ Flexible and adaptable in any given situation;
- ❑ Very conventional, not very creative;
- ❑ Not very focused and goal oriented;
- ❑ Not very ambitious by nature;
- ❑ Dislikes and tends to avoid conflicts;
- ❑ Likes being with people, but will not initiate conversation;
- ❑ Easily influenced by environment, will learn both good and bad, Necessary to be guided between right and wrong;
- ❑ Likes to work in a set pattern, not comfortable with frequent changes.

# Radial Loop (R)

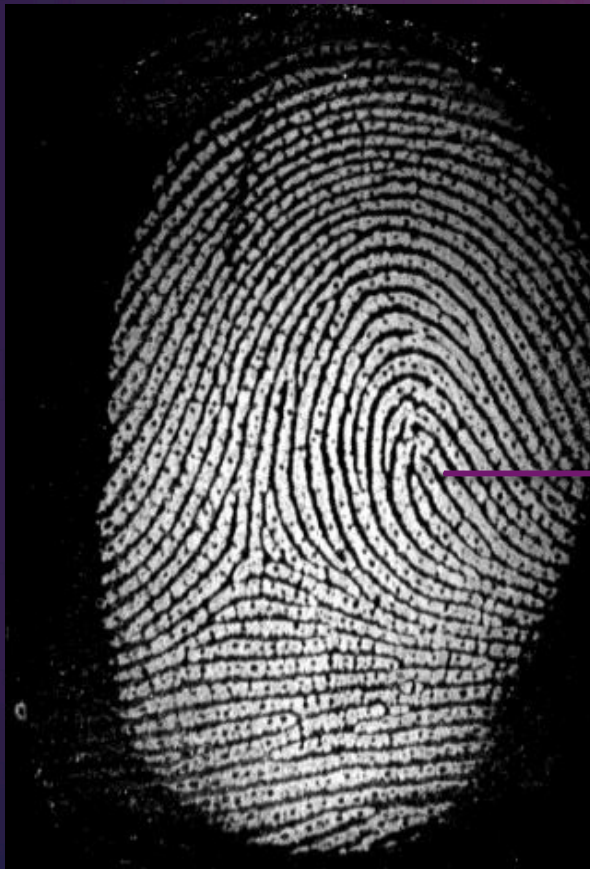

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

**Left Hand**

The loop flow direction is towards the finger side whether it's your left or right hand will be termed as radial loop. It has **ONE** core and **ONE** delta.

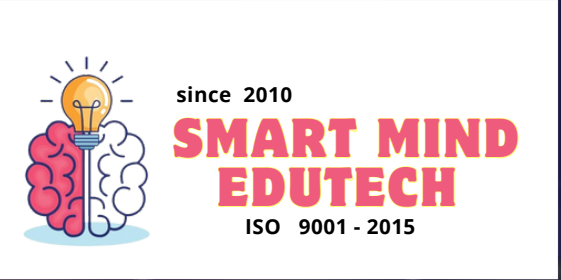

Core

**Right Hand**

Delta

# Radial Loop (R)

- High on innovation, creativity and originality (out of the box);
- Strong ability to comprehend and understand;
- Likes to be different from the league;
- Often viewed as rebellious;
- Tend to use reverse argument and reasoning;
- Ego-centric, will use own methods to complete given tasks;
- Likes deductive & critical reasoning;
- Imitates highly before debating, defending and opposing;
- High on critical evaluation.

# Simple Arch (AS)

since 2010

**SMART MIND  
EDUTECH**

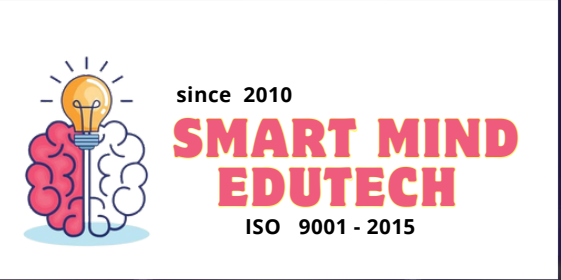

ISO 9001 - 2015

**There is no Core.  
There is no Delta.**

**When there is no core and no  
Delta, we can not do the  
ridge count, therefore Ridge  
count will be ZERO**

# Simple Arch (AS)

- Has infinity elasticity for learning, absorbs like a sponge;
- Learning potential exists life-long, without any limitation;
- Hardworking and efficient, but needs to be patient; suppresses lot of emotions and feelings;
- Very cautious of safety and security, hence doubtful by nature;
- Highly judgmental, bipolar-swing on two extremes;
- More reserved in unfamiliar environment; emotionally inconsistent and it affects learning;
- Lacks on self-confidence, need to be affirmed and encouraged.

# Tented Arch (AT)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

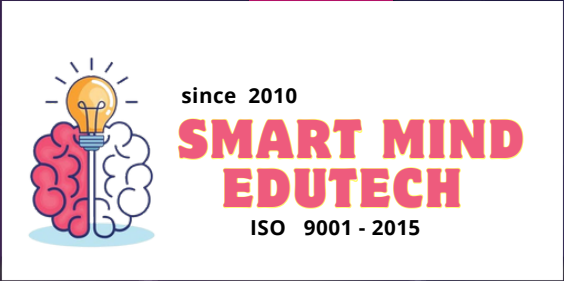

**There is no Core.  
There is no Delta.**

**When there is no core and  
no Delta, we can not do  
the ridge count, therefore  
Ridge count will be ZERO**

# Tented Arch (AT)

- Very sharp in learning with infinite potential;
- Absorbs like a sponge; tends to think a lot and is bipolar impulsive;
- Interested in diverse subjects and topics;
- High on enthusiasm and optimism however discouraged if no results are seen within short period of time;
- Very individualistic in managing and planning finances for self;
- Interested in modern art and other such creative endeavors

# Arch with Ulnar Loop (AT.1)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

Left Hand

**Characteristics of Arch with Ulnar is same as Ulnar loop, only difference is Ridge count. Arch with Ulnar Loop should have FIVE or less then FIVE ridges between the core and delta.**

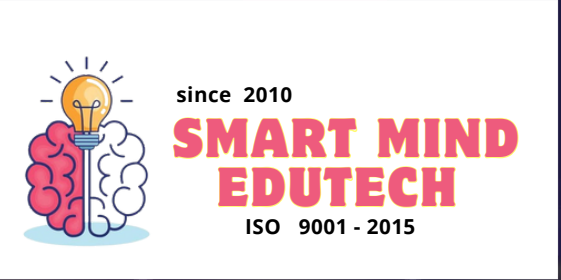

**Delta**

Right Hand

**core**

# Arch with Ulnar Loop (AT.1)

- Very high and infinite potential in learning by imitation;
- Seeks wisdom;
- Good with abstract thinking;
- Ability to innovate especially in technical subjects;
- Tends to learn more with age.

# Arch with Radial Loop (AT.2)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

Left Hand

**Characteristics of Arch with Radial loop is same as Radial loop, only difference is Ridge count. Arch with Radial Loop should have FIVE or less then FIVE ridges between the core and delta.**

**Core Delta**

Right Hand

# Arch with Radial Loop (AT.2)

- Has all characteristics of Arch with Ulnar loop with reverse thinking;
- Responsive to emotions; however shuts off with vagueness and ambiguity;
- Likes to venture into abstracts;
- Gets irritated with too much of details;
- Inconsistent in thoughts and nervous activity.

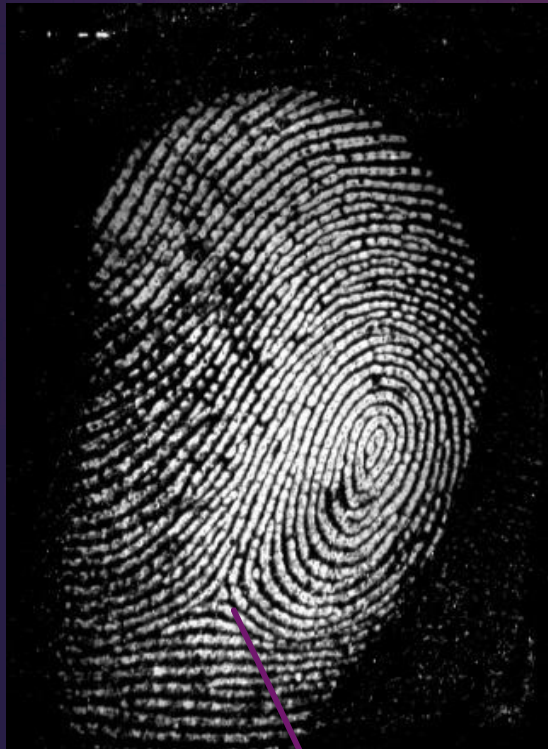

# Target Centric Whorl (WT)

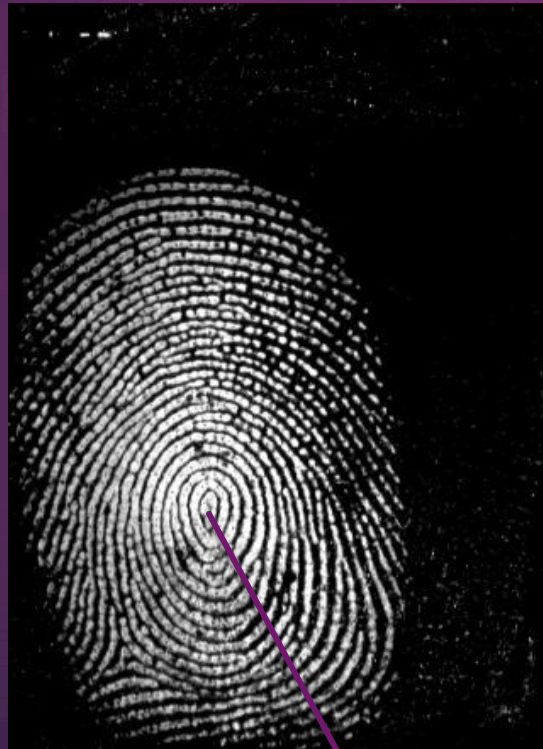

since 2010

**SMART MIND  
EDUTECH**

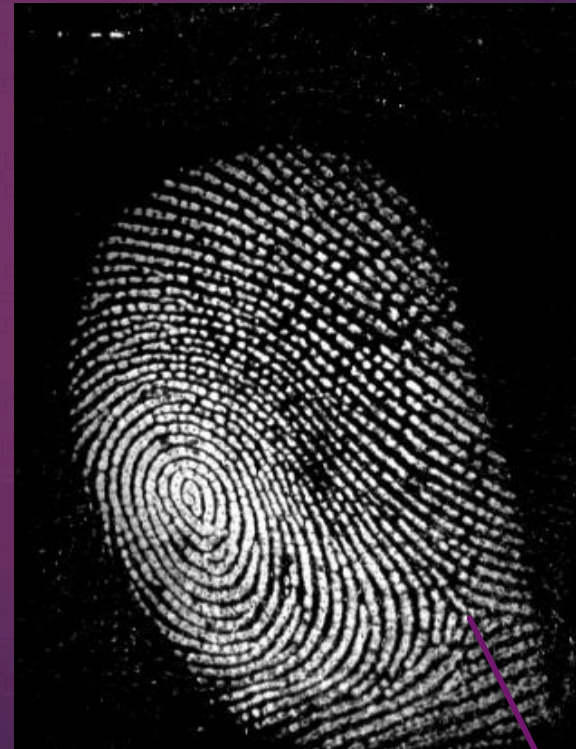

ISO 9001 - 2015

**Delta**

**Core**

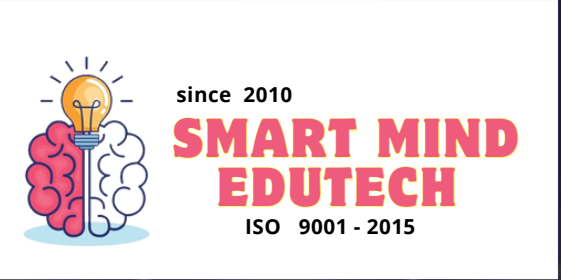

**Delta**

**The Core point has 3 proper circles not touching each other. It has ONE core and TWO deltas.**

**Ridge Count will be from Left Delta to the Core, Right Delta to the Core. Whichever side has the higher Ridge Count, it needs to be considered**

# Target Centric Whorl (WT)

- Individualistic & self-centered;
- Goal oriented and focused;
- Loves competition and winning;
- Strong determination and will power;
- Loves to initiate and synergize;
- Good clarity, strong ability to understand & comprehend;
- Able to see things from all perspectives;
- High on reasoning, asks a lot of questions and takes action after proper reasoning

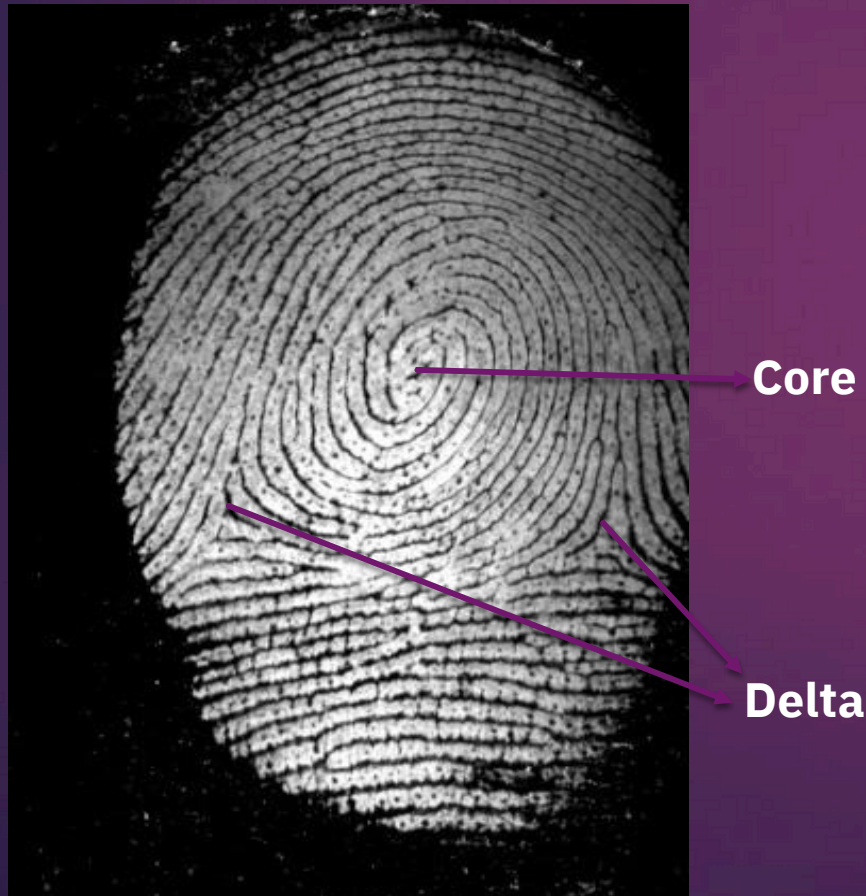

# Spiral Whorl (WS)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

The circles are in spiral shape from the core point. It has **ONE** core **TWO** deltas.

Ridge Count will be from Left Delta to the Core, Right Delta to the Core. Whichever side has the higher Ridge Count, it needs to be considered.

# Spiral Whorl (WS)

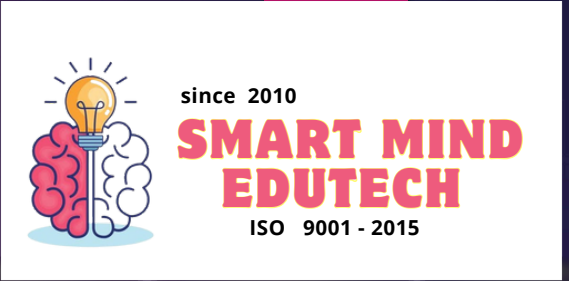

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

- Similar to the target whorl; slightly weak on will power;
- High on emotions and stubbornness;
- Enthusiastic and diligent learner after prior reasoning;
- Need to be reminded the tasks once for them to finish;
- High on curiosity;
- Tend to be mischievous at a younger age.

# Elongated Spiral Whorl (WES)

It is like a spiral whorl, but the shape of circles from the core point is long and oval. It has **ONE** core **TWO** deltas.

Ridge Count will be from Left Delta to the Core, Right Delta to the Core. Whichever side has the higher Ridge Count, it needs to be considered.

# Elongated Spiral Whorl (WES)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

- Good with numbers and computations;
- Tends to be a perfectionist with numbers;
- Good in management, analysis of synergies
- Ability to generate huge missions;
- Ability to handle & complete goals by following the plan;
- Tends to get confused between emotions and logic;
- Gets easily influenced by past experiences and emotions hence will keep and revisit the past load of information;
- Tends to keep thinking and get worried

# Elongated Target Whorl (WET)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

**Delta**

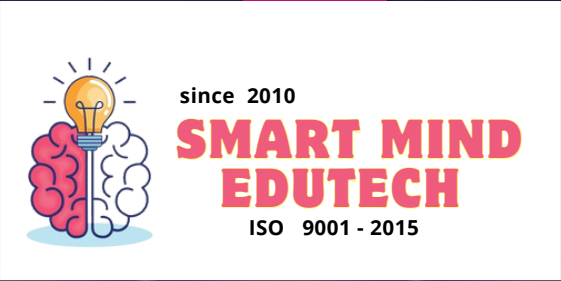

**Core**

**Delta**

**It is same as target centric whorl, but the circles from the core point are long and oval. It has ONE core TWO**

**Ridge Count will be from Left Delta to the Core, Right Delta to the Core. Whichever side has the higher Ridge Count, it needs to be considered.**

# Elongated Target Whorl (WET)

- Goal oriented and focused;
- Loves competition and winning;
- High on stubbornness;
- High on Boldness;
- Good in management, analysis of synergies

# Double Loop Whorl (WD)

delta

Core

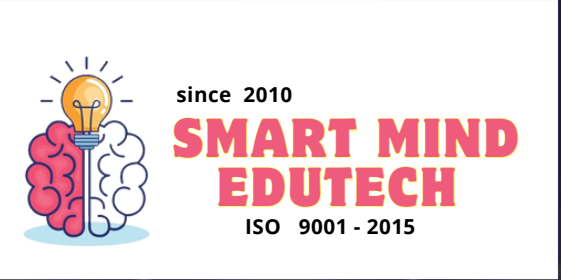

Delta

The Shape is like a big and Wide S, it can be vertical as well as horizontal. It has TWO cores and TWO deltas. The Ridges between TWO cores are more than 5.

Ridge Count will be from Left Delta to the left Core, Right Delta to the Right Core. Whichever side has the higher Ridge Count, it needs to be considered.

# Double Loop Whorl (WD)

- Confusion and difficulty in decision-making;
- once agreed and accepted, the ability to imitate is stronger than others who learn by imitation;
- ability to pick up things and learn fast upon seeing;
- almost double power of imitation and thinking than others;
- tends to look at positive side and overlook the negative sides;
- does not like to criticize or judge others;
- Has most of the characteristics of that of the Ulnar Loop.

# Imploding Whorl (WD.1)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

**Delta**

**Core**

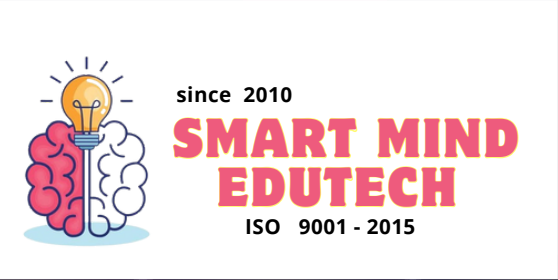

**Delta**

The Shape is like S but it's only wide and compact, it can be horizontal as well as vertical. It has **TWO** cores and **TWO** deltas. The Ridges between the two cores are **THREE, FOUR** or **FIVE**.

Ridge Count will be from Left Delta to the left Core, Right Delta to the Right Core. Whichever side has the higher Ridge Count, it needs to be considered.

# Imploding Whorl (WD.1)

- Good in taking initiative to plan & manage goal which was set;
- Has low concentration level and lacks focus;
- Weaker abilities in integrating the things towards the goal;
- Tends to have heart at two different places/goals/things at the same time; Lacks
- in energy & persistence to complete the task to finish;
- Needs lot of repetition and practice to learn a task;
- Low confidence levels due to “forgetfulness”;
- Low on adaptation to a particular environment

# Composite Whorl (WD.2)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

Delta

Core

Delta

**It has a proper s shape. It is not big or wide. There is one line between two cores. It has TWO cores TWO deltas.**

**Ridge Count will be from Left Delta to the left Core, Right Delta to the Right Core. Whichever side has the higher Ridge Count, it needs to be considered.**

# Composite Whorl (WD.2)

- Like to have multiple goals and have variety in planning;
- Easily influenced, gets swayed away easily;
- Becomes judgmental without much thought;
- Unable to articulate and express thoughts clearly because of thinking from different angles;
- Highly authoritative and high on self-management;
- Weak on will-power and determination;
- Difficulty in focusing on the task at hand due to wavering mindset; Likes
- to have freedom to make own choices;
- Easy to mingle and switch between topics in a conversation.

# Ulnar Peacocks Eye (WP)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

**Left Hand**

The Shape is like a peacock's feather. The loop flow direction is towards the thumb side. It has **ONE** core **ONE** Delta.

**Core**

**Right Hand**

**Delta**

# Ulnar Peacocks Eye (WP)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

- Creative thinking & tends to achieve perfection;
- High degree of comprehension and understanding; Good
- abilities to differentiate;
- Good leadership skills;
- Tends to work in a manner very different from the league;
- Optimistic;
- Creative in self-expression, very lively and spontaneous;
- Good in arts and designs;
- Loves to help weak people, to overcome difficult situations

# Peacocks Eye Radial (WPR)

**Left Hand**

The Shape is like a peacock's feather. The loop flow direction is towards the fingers side. It has **ONE** core **ONE** Delta.

**Right Hand**

**Core**

**Delta**

# Peacocks Eye Radial (WPR)

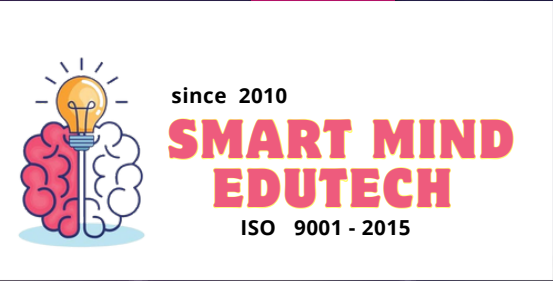

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

- Very high on critical thinking and evaluation;
- Learns by reverse thinking and is often seen as eccentric;
- Likes to ask a lot of questions and then evaluates each answer critically;
- Have high acuity, hence quick on decision-making;
- Self-centered and like to work in their own ways;
- Very good in fault finding and fault fixing.

# Mix Fingerprints (WX)

**It has TWO or more than TWO cores and Deltas. It is a very rare fingerprint and can come into any shape.**

**Core**

**Delta**

# Mix Fingerprints (WX)

since 2010

**SMART MIND  
EDUTECH**

ISO 9001 - 2015

- Highly unstable and wavering mind;
- Cannot focus on one goal or task at hand;
- Has multiple and diverse characteristics;
- Has many strange and unique ideas;
- Unable to integrate ideas and work;
- Highly dispersed energies in multiple directions;
- Potential genius if mentored properly step-by-step;
- Mentoring has to be highly patient with this person.
